Present: Michael Nance, Keisha Head, Kari Ragsdale, Steve Owens, Ashley McClure, Annette Bowden, Christina Candia, Jana Taylor, Dave Truitt, Kent Eastwood

Agenda items were tabled today due to lack of attendance – next meeting will be scheduled March 18, 2019 and the request was made to make this an extended meeting from 1145-1315 to cover all items.

Discussion was held with members that were there regarding levels of supervision for home detention clients. Our site review scores are reflective of our ability to supervise and incentivize the current client population. All in attendance at today's meeting were in agreeance that levels of supervision were appropriate.
