- *Any person who willfully makes a false statement of the facts in applying for this deduction is guilty of the crime of perjury and on the conviction thereof will be punished in the manner provided by law.*

BENEFITS AND ELIGIBILITY

- *“Model residence” means real property that consists of a single family residence, single family townhouse, or single family condominium unit that has never been occupied as a principal residence, and is used for display or demonstration to prospective buyers or lessees for purposes of potential acquisition or lease of a similar type of residence, townhouse, or condominium unit on the same property or other property.*
- *Eligible applicants are entitled to a deduction from the assessed value of the residence in the amount of 50% of the assessed value of the model residence for:*
 - *Not more than one assessment date for which the model residence is assessed as a partially completed structure;*
 - *The assessment date for which the model residence is first assessed as a fully completed structure; and*
 - *The two assessment dates that immediately follow the assessment date for which the property was first assessed as fully completed.*

LIMITATIONS

- *A property owner may not receive the deduction for more than three model residences in Indiana for a particular assessment date. Owners of model residences who are part of an affiliated group (as defined by 50 IAC 25-2-2) may not exceed an aggregate of three model residence deductions for a particular assessment date.*
- *The owner’s regular office space is not considered a model residence for purposes of the deduction. However, use of a garage or other space in a model residence to store or display promotional materials or meet with prospective buyers or lessees will not disqualify the model residence from the deduction.*
- *A property owner may not receive a model residence deduction for a model residence located in an allocation area as defined in IC 6-1.1-21.2-3.*
- *A property owner that qualifies for a model residence deduction and also qualifies for a deduction under another statute with respect to the same model home for a particular assessment year may not receive a deduction under both statutes for that year.*
- *A person who owns a model residence and claims the deduction must provide the county auditor with a notice that informs the auditor of a transfer of ownership of the model residence. This notice shall indicate whether the new owner is eligible to receive the model residence deduction and must be submitted to the county auditor at the same time that a sales disclosure form is filed under IC 6-1.1-5.5.*
- *The deduction allowed for a model residence is terminated if the model is sold after the assessment date of a particular year but before January 1 of the following year to a person who does not continue to use the property as a model residence.*
