The Hearings of the APC and Legislative Body & Decision Guidelines

Area Plan Commission

The APC shall follow their adopted Rules of Procedure for the hearing, a copy of which is available at the APC office. Public hearings of the APC are generally held the first Wednesday of each month at 7:00 p.m. at the Boone County Office Building Meeting Room, 116 Washington Street, Lebanon, Indiana. Always check with the APC office to verify the exact meeting date, place, and time should a conflict occur.

When your request comes up on the agenda, you will be asked to present your request to the Commission. You may employ an attorney for this purpose or do it yourself. You may use any maps or graphics that will assist in the presentation. If the Commission members need additional information, they will ask questions regarding your request. The Commission will hear your request and make a recommendation: Favorable, Unfavorable, or No Recommendation. Within 10 business days of the hearing, the Executive Director will Certify in writing the APC's recommendation to the appropriate Legislative Body (County Commissioners or Town Councils).

Legislative Body Hearing

After the APC Hearing, the petitioner must contact the Executive Director to place their petition on the agenda of the appropriate Legislative Body. The applicant or a representative is required to attend the hearing of the Legislative Body. In addition, the Executive Director will attend the meeting to answer any questions that the members may have regarding the petition or the recommendation of the APC.

Zoning is essentially a political matter over which the Legislative Body has complete discretion. The recommendation of the APC is only advisory, and the Legislative Body is not bound to follow their recommendation. As per State Law, the Legislative Body must make their final decision regarding a Zoning Amendment within 90 days of the Certification by the Executive Director. If after 90 days a hearing has not occurred, the petition dies unless a unanimous recommendation of the APC occurred, in which case the recommendation will prevail as the final overall decision.

Statutory Guidelines for Zoning Amendments

In accordance with IC 36-7-4-603, when considering a proposal for rezoning, the APC must pay reasonable regard to the following:

- 1. The Comprehensive Plan;
- 2. Current conditions and the character of the current structures and uses in each district;
- The most desirable use for which the land in each district is adapted;
- 4. The conservation of property values throughout the jurisdiction;
- 5. Responsible development and growth.

The following table depicts the deadlines for petitions before the APC. Deviations from this schedule are not permitted without approval from the Commission. Public hearings of the APC are generally held at 7:00 p.m. at the Boone County Office Building Meeting Room, 116 Washington Street, Lebanon, Indiana.
