Ready for application

Grader needed prior to application

Permission is hereby granted to apply Dust Control on the county road under the terms of this permit; the permittee shall comply with the following provisions:

Initial

1. **Notification to the Boone County Highway Department 3-5 days prior to application.** At the time of notification, the Highway Department will come out and prepare the area to have Dust Control applied.
2. Materials that are accepted by the Highway Department are the only ones that can be applied for Dust Control. All materials shall be acceptable and meet the standards set by the Indiana Department of Environmental Management.
3. Dust Control can be applied any time after **May 1st to August 30th**. No Dust Control can be applied after **September 1st** without special permission from the Boone County Highway Department.
4. The area to have applied Dust Control is the sole responsibility of the Permittee to maintain in a good riding condition for the motoring public.
5. Any holes that develop in this area are the sole responsibility of the Permittee to keep filled and taken care of. The County shall be relieved of liability and be indemnified for any damages resulting due to improper application or environmental damages.
6. If any area is found to be unsatisfactory to the motoring public, the notification will be given to the Permittee by Highway Personnel, which will give the Permittee 5 days to correct the condition. If this is not taken care of, the Highway Department reserves the right to restore the area to a safe condition. **Under no circumstances will Dust Control be replaced by the Boone County Highway Department.**
7. **The Boone County Highway Department reserves the right after October 1st to prepare the existing roadbed for winter conditions.**

I have read and agreed to the terms and conditions above: _____
