## Trauma and Injury Prevention Grant

The Boone County Health Department is offering trauma and injury prevention community grants. To qualify for this grant, the organization must provide services related but not limited to the following:

- Naloxone distribution and training
- Education on substance use disorder
- MAT (medication-assisted treatment)
- Peer recovery services
- HIV/Hepatitis C testing and referrals to treatment/recovery
- Safe Sleep for infants
- Child car seat safety
- Fall prevention
- Bicycle safety

Boone County community organizations who offer services in trauma and injury prevention can apply for up to \$25,000. The grant funds may not be used on capital expenses such as for purchase of property, land, rent, or vehicles. Please visit [boonecounty.in.gov/health](http://boonecounty.in.gov/health) and visit the Health First Indiana Funding tab under the Programs, Services, & Resources heading for the application. Please submit application to [lyounts@co.boone.in.us](mailto:lyounts@co.boone.in.us).
