

Single-Family Dwelling in AG Building Permit Application Packet

Boone County Area Plan Commission

Per the Boone County Zoning Ordinance, single-family homes outside of a platted subdivision are considered a “restricted use” in the Agriculture (AG) District. They require a thorough preliminary review by the Technical Advisory Committee (TAC) before a building permit can be issued. This application packet is for the purpose of that preliminary review. A separate application for the actual building permit will be required following TAC approval.

STEP 1: Pre-Application Review.

Pre-Application review is required for all applications. Please email your entire draft application, forms, and attachments by the Pre-App Review date on the Application Schedule to the Executive Director at nschell@co.boone.in.us. Be sure to note “Application for a Single-Family Dwelling in AG Building Permit” in the subject line along with the applicant’s last name. Questions can be sent to this email or call (765) 482-3821.

STEP 2: Submittal Details and Checklist.

If materials are submitted electronically, they must be in the format shown. If items on the checklist are sent in separate PDFs, they must include a file name that corresponds to the checklist item. Image files will not be accepted (jpg, tiff, etc.). (For example: *01 Application.pdf; 04 Aerial Map.pdf; 06 Narrative.pdf; etc.*).

1. **Application Form:** Fill out all applicable fields completely and leave the fields blank that do not pertain. The form must be signed by the applicant(s). The 10-digit county identification Parcel Number (Do not use the State ID) is required on ALL permit applications and can be found on the Boone County GIS website at: [Boone County GIS Map Viewer](#). You can do a search by address or zoom in on the parcel and obtain the detailed information.
2. **Narrative:** Provide a detailed narrative describing the nature of the application, the size of the lot, the desired land use, the details of the proposed development, and the expected timeline for permits and construction.
3. **County Location Map:** Using the map on page 5 of this packet, indicate where the property is generally located in the county with a star.
4. **Aerial Map of Site:** Provide an aerial map of the subject parcel formatted for 8 ½” x 11” in size, showing a close-up of the site and all adjacent properties. The map can be obtained from Google Maps, Boone County GIS, or other similar aerial mapping programs. Be sure to outline the subject parcel.
5. **Conceptual Site Plan:** Submit a basic site plan formatted for 8 ½” x 11” or 11” x 17” in size, showing the basic layout of your proposed home site. Include proposed home location, any accessory structures, septic system, well, and driveway. This plan must include the proposed setback dimensions of all structures. (A Plot Plan from a licensed engineer or surveyor will be required with the building permit application submittal. The plot plan may be submitted with this application in place of the conceptual site plan.)
6. **Deed:** This is evidence of property ownership as well as any restrictions associated with the property. A copy of the recorded deed for the property with the Recorder’s Stamp, available from the Boone County Recorder’s Office, 202 Courthouse Square, Lebanon, IN 46052, (765) 482-3070.
7. **Attachments A:** Complete necessary attachment as applicable.

STEP 3: Completing the Filing Application.

You will receive an email confirmation when the Executive Director has completed the Pre-Application Review and you are ready to complete the filing of this application. This email will include instructions for making an appointment to complete the filing and schedule the Technical Advisory Committee Meeting (TAC). Filings submitted or completed after the posted submittal deadline may be placed on the application cycle for the next regular meeting.
