RE: ESTABLISHING A DEVELOPMENT MORATORIUM ON DATA CENTERS (File 26ZO-16-128)

On May 6, 2026 the APC, as part of their regular meeting, voted unanimously 6-0 to request the Board of Commissioners adopt a development moratorium on new data center facilities in unincorporated Boone County for a period of one (1) year.

On June 3, 2026, the Area Plan Commission will hold a public hearing on the proposed moratorium and make a recommendation on the ordinance to establish the data center moratorium to the Commissioners.
