Lisa J. Bruder
CLERK BOONE CIRCUIT COURT

Order of July 21, 2026, Hearing

This matter came before the Election Board regarding Mr. Litscher's request to provide documentation suggesting more effective methods for notifying new candidates filing for office. Clerk Bruder informed Mr. Litscher and the Board members that such notification is not required. However, she provided him with a letter and notified him of the filing deadline when he filed his candidacy. Mr. Litscher was advised of the fee that had been assessed. He stated that he would have submitted the required documentation had he known the fee would continue to increase, noting that this information was also included in the pamphlet he received. Clerk Bruder recommended that the Board reduce the fine, as this was Mr. Litscher's first time running for elected position. The fee was assessed at \$100.00, and Mr. Litscher was given 30 days to pay. Mr. Litscher paid the fee in cash immediately, and Clerk Bruder emailed him a receipt.
